I only wish we could have gotten to know each other sooner (last year) I really do care for you very much.

I really mean it when I say I love you, Because I really do. When you come home to visit from college please call me because I don't ever want you to forget me entirely.

Take care of yourself & keep in touch. Love always, Michelle Schiller

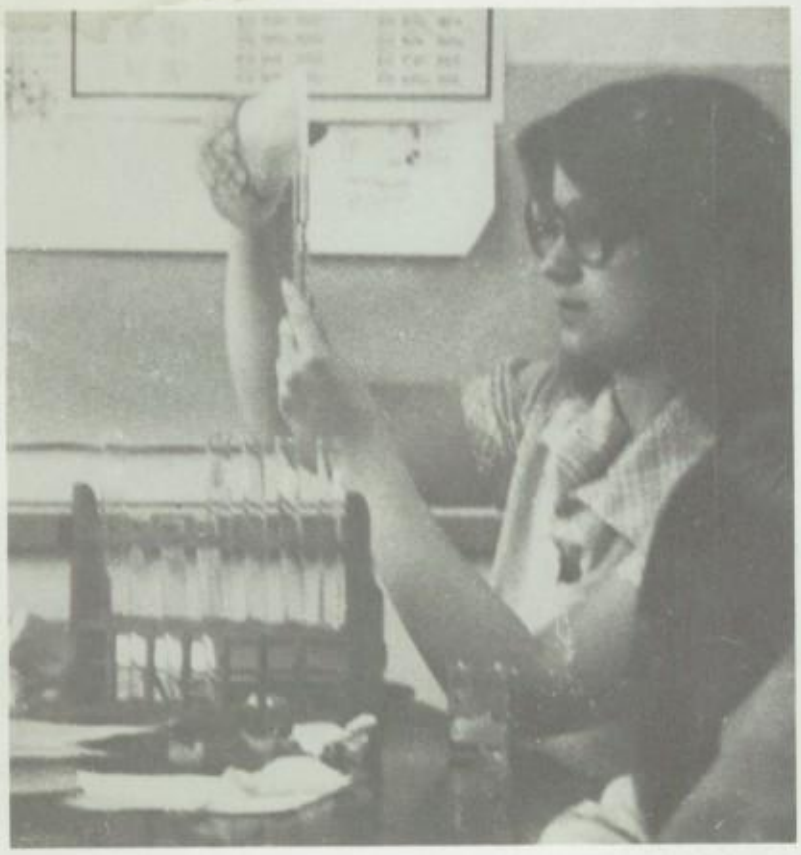
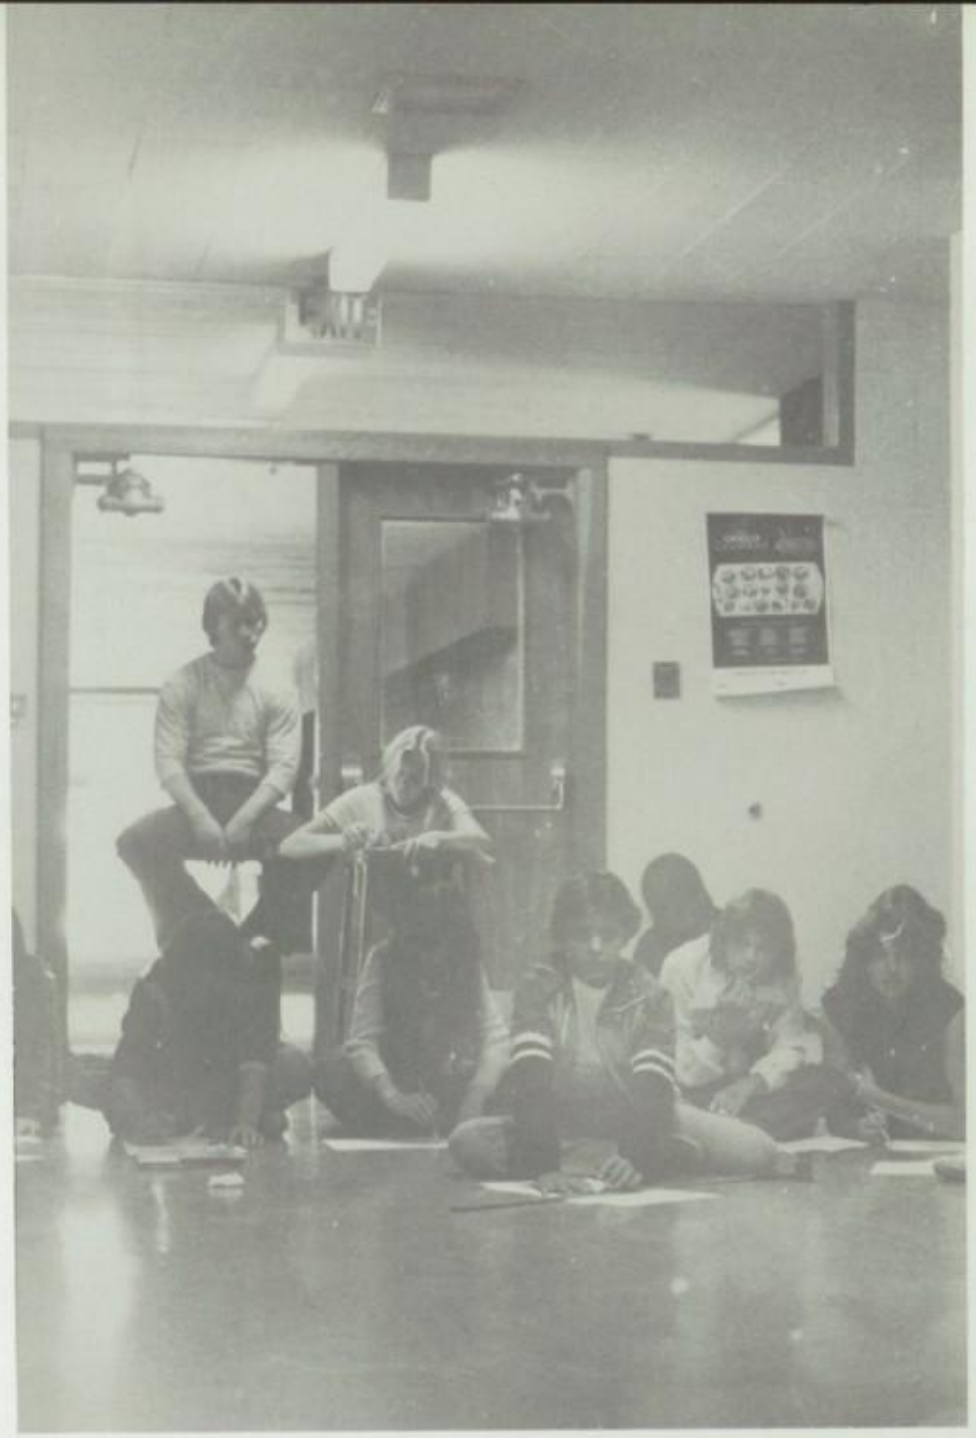
Student Life

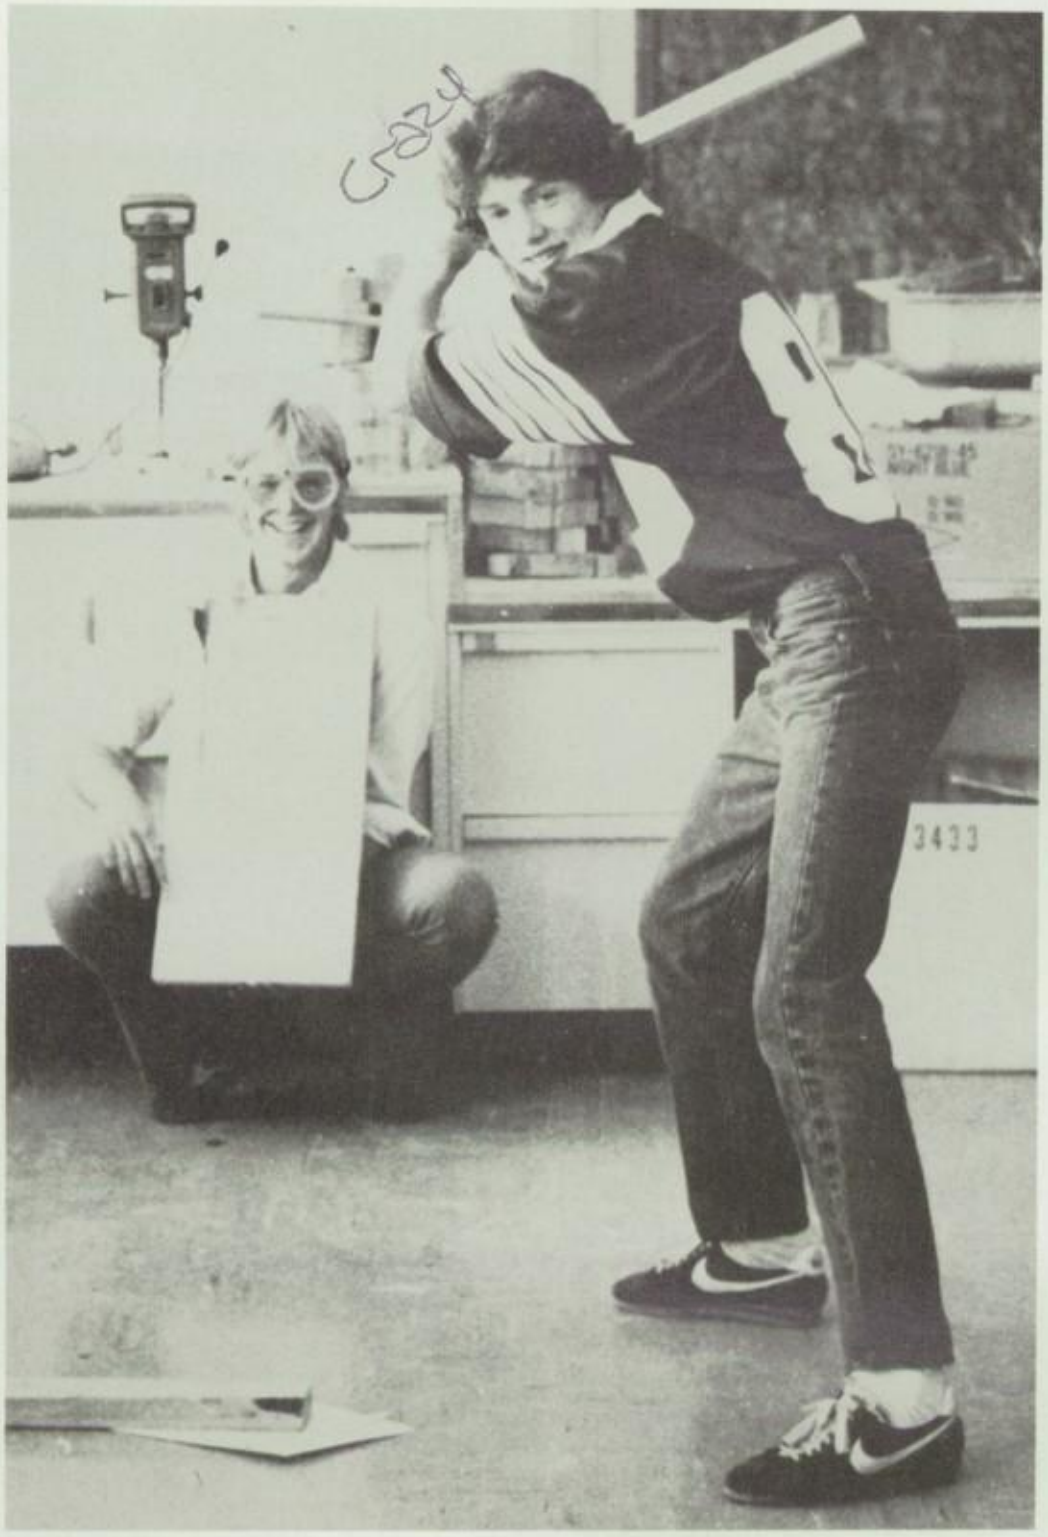
Acceptance in life is the goal of most. Many do not jeoperdize their fragile social levels by reaching out to new ideals. Thus many great moments or events never come about because of the views of the mass. Yet each person is an individual with new and different hopes for tomorrow. In depriving yourself of dreams you are only cheating yourself, for man is not a victim of circumstances - he chooses what makes up his own destiny.

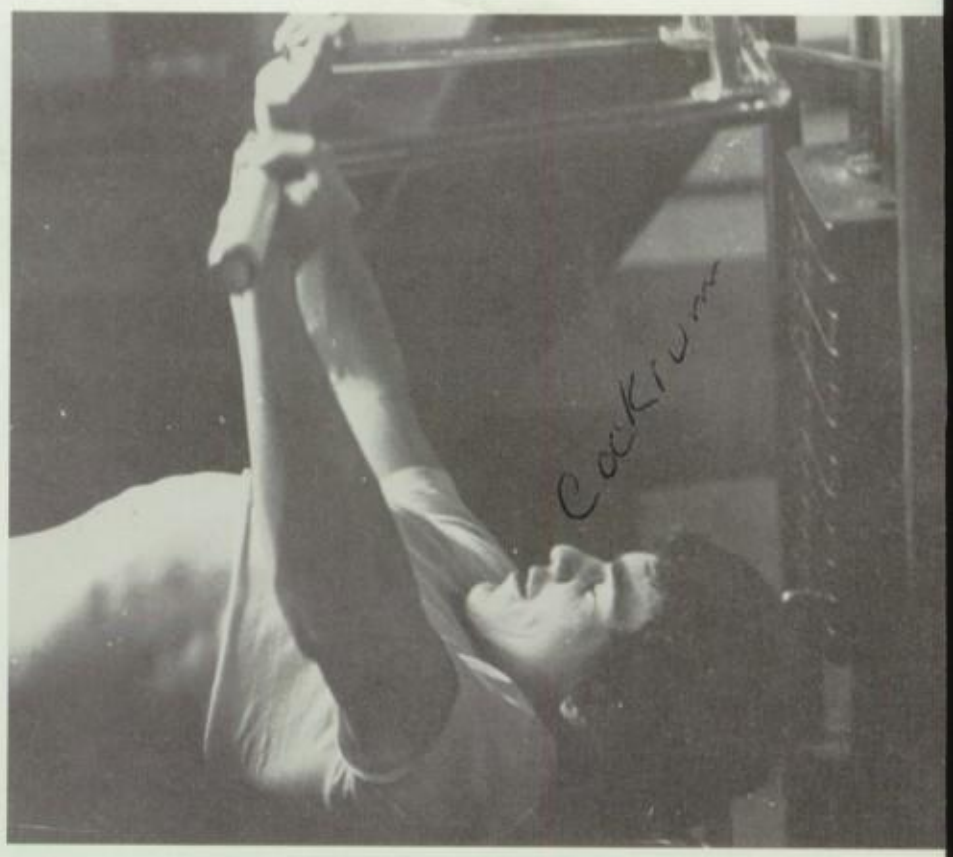
Throughout your life you will gain knowledge. What you do with this knowledge determines how you grow. Will you grow up or will you just grow old?



Tomorrow is but a thought and Yesterday is just a point in time. Only one time is now - Today - time used in the planning of tomorrow and time to learn from Yesterday. Utilize today wisely and you will be rewarded. If you do not the world will pass you by.



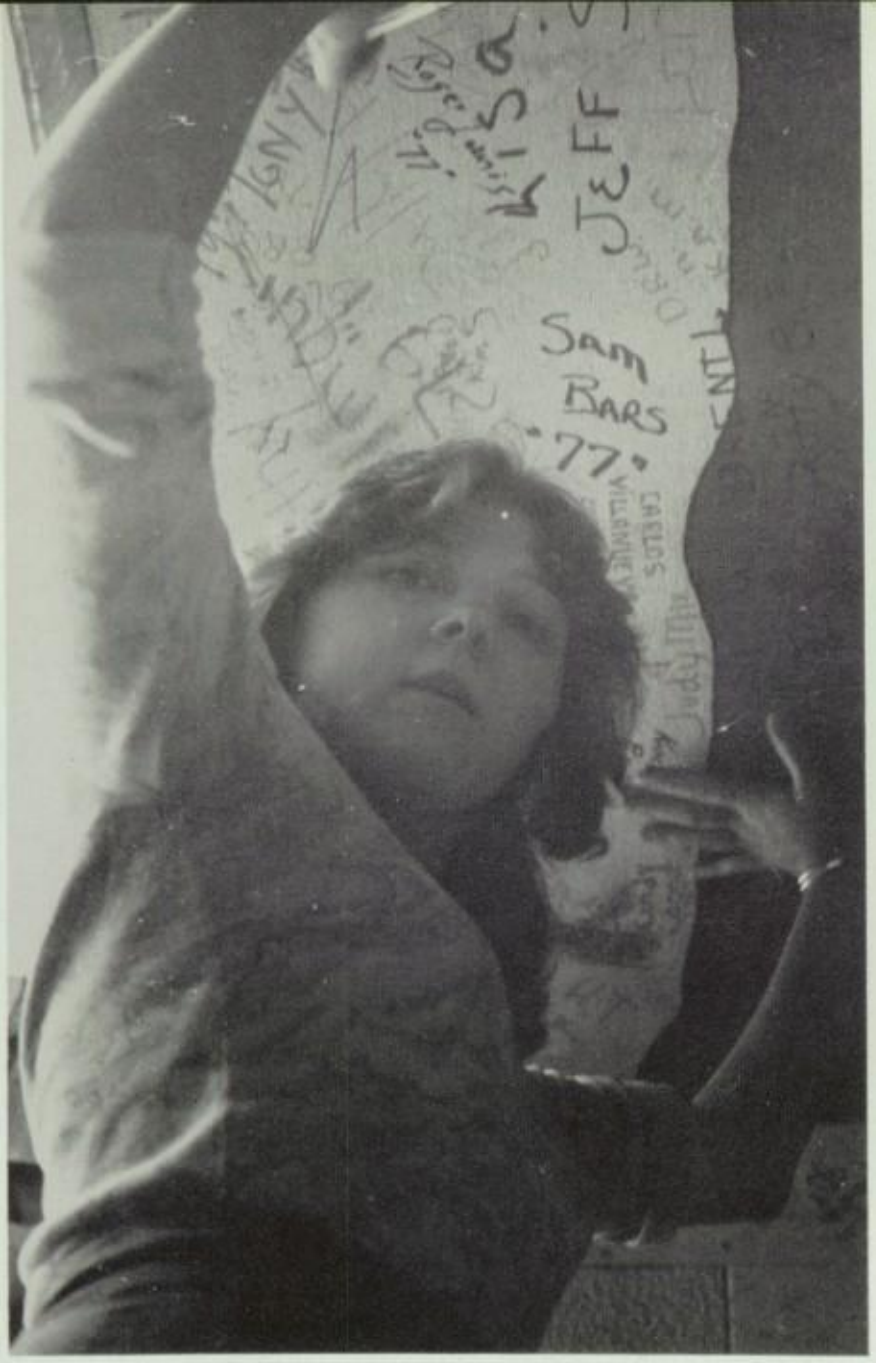


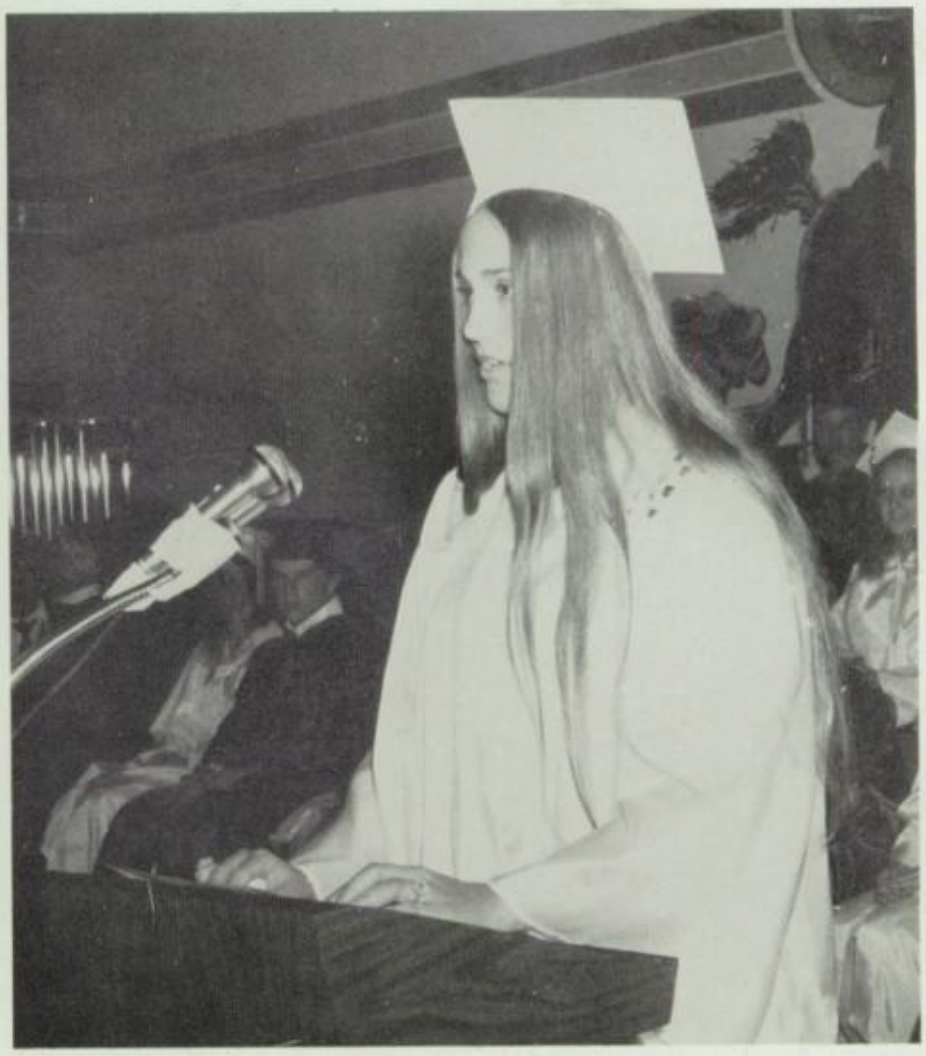


Friendship is a vital part of everyones life. Friends help you enjoy your happiness and are there to support you in times of need. Never take your friends for granted for they are gifts of God and should be given the highest regard of respect and love.

I would like to share a poem given to me by a friend,

To laugh often and love much:
To win the respect of intelligent persons and affections of children:
To earn the approbation of honest critics and endure the betrayal of false friends:
To appreciate beauty: To find the best in others:





To give one's self: To leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition: To have played and laughed with enthusiasum and sung with exhulation:
To know even one life has breathed easier because you have lived:
This is to have succeeded.

I wish you all success.

Counselors

The DHS counselors handled alot of problems this year, and went through a large supply of kleenex and asprin. Still, they managed to remain cheerful and optimistic most of the time.

Students with scheduling conflicts or personal problems could find some sound advice at the counseling center, although it did not always turn out to be the advice that they wanted.

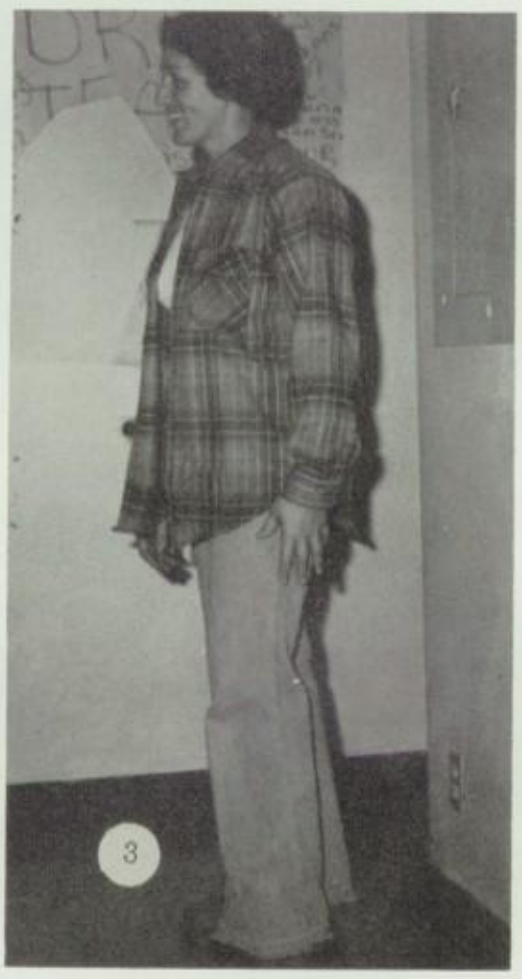
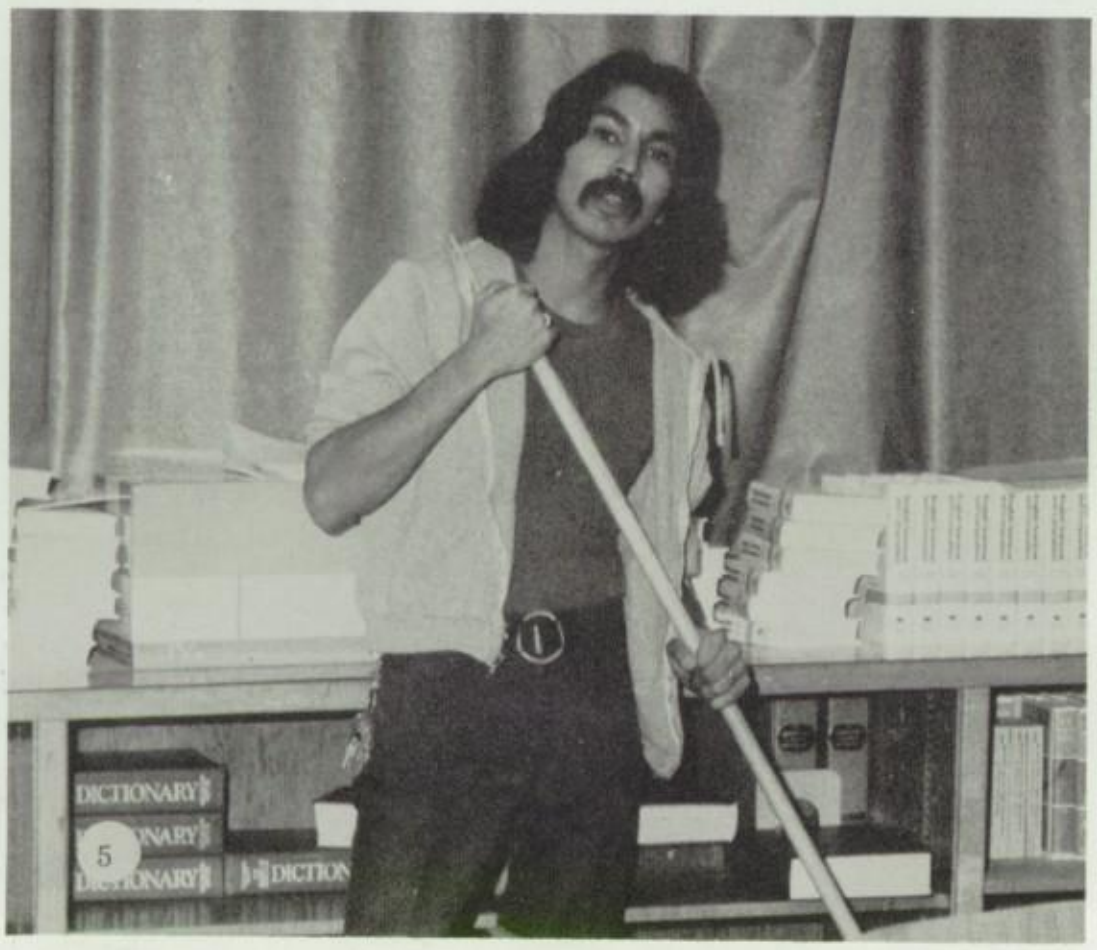
Custodians

The 1978-79 custodians were very good ones. They came early in the morning and left late at night. They cleaned up alot of messes after dances, wrestling matches, pep assemblies, games and lunches with hardley any complaints. They also raked leaves, mowed grass, washed windows and many other things in order to keep Douglas presentable.

Pictured on this page are 1) district maintenance personnel Raliegh Centers, Alex McClune and Pat Murphy, 2) Manual Escobar, 3) Sharon Hilton, 4) Chet Williams, and 5) Joe Garcia.





Bus Drivers

Last year's 1978-79 bus drivers were good ones. They play a very important part in our everyday school activities, driving kids to and from sporting events, making it possible to participate. A bus driver's day starts very early and ends pretty late, depending on their run. Bus drivers work split shifts. Therefore, most of their time is dedicated to us students.

The school district had 17 bus drivers on the staff this year. 1) Donnis Wilder looks back to see if all of the kids are in their seats before taking off. 2) Jerry Riley sits comfortably in his seat while waiting for the kids to board the bus. 3) The drivers took time out for a picnic in the spring at the Winston City Park. 4) Arriving early at Douglas for the afternoon run, Audrey Bertucci relaxes in the sun.

Choir

Douglas' vocal music groups were on the go all year presenting concerts and competing in contests. In the spring the acappella choir received two 1+ ratings at the district contest.

Three of the groups cut a record in the spring, using numbers they had sung in various concerts during the year.

It was Director Steve Biethan's fourth and final year at DHS, as he was selected to fill a vacancy at Umpqua Community College.

Headed by a 32 year newspaper veteran advisor, Mr. Bill Lapp, the 1978-79 Troy Times staff issued a total of 29 newspapers for the 78-79 school year.

Good looking, demure, suave, sophisticated, efficient and well educated personnel comprised this year's newspaper staff (with the exception of Tracy Peterson, Phil Deal, Korrina Ledbetter, Barb McClellan, Rob Morton, Marsha Smith, Rawle Morris, Jim Bicknell, Pat Gould, Lisa Childers, Brenda Hunt, and Brian Lockwood).

Co-Editors Lisa Childers and Korrina Ledbetter combined efforts to make sure the production of the paper ran smoothly.

The staff was responsible for their own writing, printing and distribution of the Troy Times.

"During the year the class decreased in size but increased in productivity," commented advisor Mr. Bill Lapp. "As a whole the class was very enjoyable to work with."

Juniors

The Junior class consisted of one hundred-eighty students this year, one of the largest junior classes Douglas High has ever had.

They took second in the homecoming events during homecoming week and works all year getting ready for the prom.

To raise funds they sold candy sticks, and maple bars, and had a booth at the Melon Festival where they sold baked goods.

The Juniors also had a store this year where they sold goods such as: T-shirts candles, posters, and jewerly. The fund raising committee consisted of: Tina Witt, Karman VanDerVorst, Kay Cooper, Barbara Birman, Marsha Smith, Trudy Puhl, and Marlene Arms.

The class advisors were Mrs. Violet Jobb and Mr. Greg Snyder.

The Junior class officers were President Marlene Arms, Vice-President Julie Walker, Secretary Louise Volkman, Treasurer Teresa Ray, Publicity Manager Jini Smith, Prom Chairman Kay Cooper, and representatives Ladd Peterson and Rob Morton.

Cross Country

After four trips to state in the last five years and with almost all of the league champion dual and district team of 1977 graduated, hard times fell upon the '78 Douglas High Cross Country Team.

The 1978 squad was young, lacked running experience, suffered injuries, and reported in poor physical condition.

The team was paced by the lone senior, Mike Morris. Other varsity runners were underclassmen Vern Severson, Kevin Nay, Dave Gix and Bill Gibson.

The Trojan runners went to several invitational meets and hosted a 22 team meet which enabled them to meet all of the top 15 teams in the state.

The 1979 season should find the Trojan cross country team much improved but still very young.

Basketball

The 1978-79 Douglas varsity squad managed to win enough games to gain a Sky-Em League play-off berth, and pulled out a squeaker over the Sutherlin Bulldogs, 55-52, in overtime, in first round play-off action. The Trojans then, for the fourth time during the season, met face to face with the defending State AA champion Marist Spartan team. Jumping out to an early 8-4 first quarter lead, the Trojans managed to rattle the Spartans, but then fell behind in the latter going. The Spartans prevailed, 42-37, ending any hopes of a Douglas state tournament berth. The Spartans went on to win the AA State Championship over another Sky-Em League contender, South Umpqua, 56-50.

Finishing the year with an outstanding season record (13-7) Junior Varsity head coach Greg Snyder commented, "The Junior Varsity basketball season was of great success. Our players made a tremendous amount of growth during the season. We showed good poise, hustle, and desire throughout the year, and I hope these guys continue to improve and grow. This was a super group of young men to work with."

(3) Terry Harr (23) skies for a jump shot over Lancer Kevin Blake as Kevin Hull sets a pick. (4) Kevin Hull penetrates the ball between two Oakridge defenders and draws the foul. Band Trip

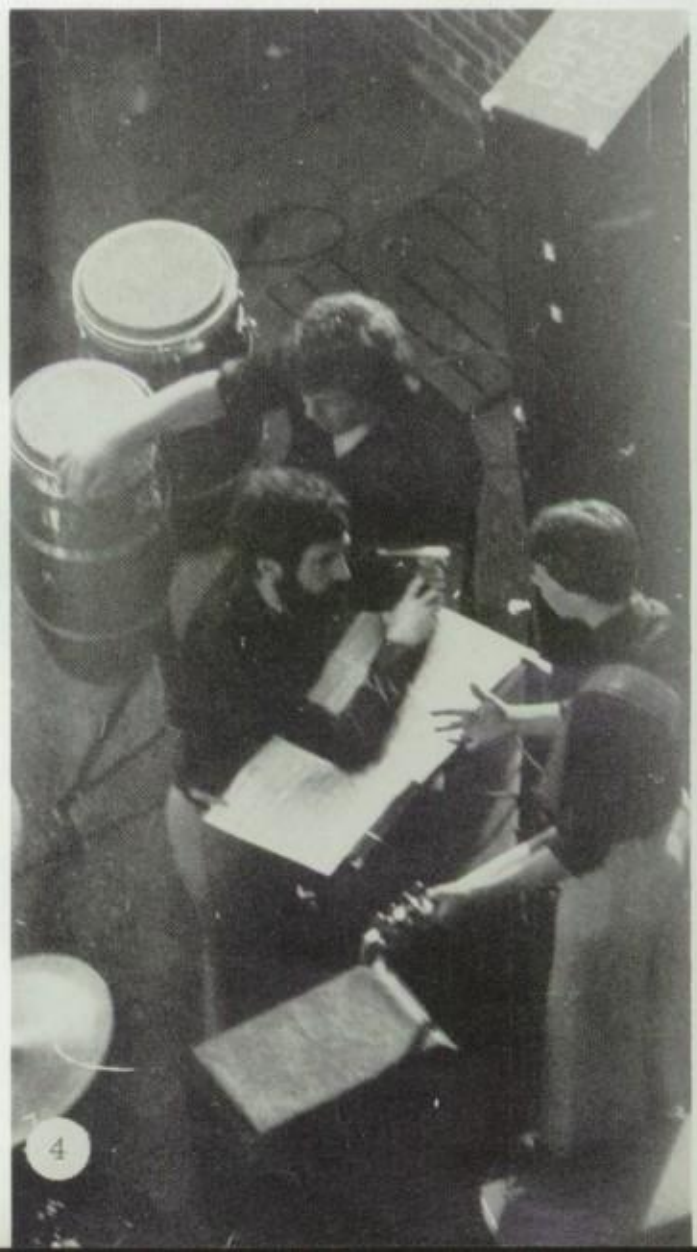
The Douglas High Band Trip to Canada was a great success. Made up of the members of Marching and Symphonic Bands, the group enjoyed many varied experiences. The ferry boat ride was an alternate mode of travel to the familiar bus and provided a showcase view of Victoria. The advanced plan was to eat brunch at Grouse Mountain but due to unforscene difficulties, plans changed and band members enjoyed a colorful visit to the World Famous Butchart Gardens.

While active in the Abbotsford Festival, the students stayed with local families and met many new and interesting people.



Traveling was always fun on the band trip. Whether going through Seattle, touring the Trojan Plant or stopping at the Organ Grinder, there was always a happy smile and an air of excitement.

(1) The festive mood of checking in for the "Canada Trip" was catching. (2) The Marching Band enjoyed taking part in the Abbotsford International Band Festival. (3) An informal group shot taken while at Sedro Wooley High School. (4) A discussion between director and student over the fine points of performance is observed.

Dancing Machine,
You're one of my best friends and probably will be as long as I live. We've had some good times (your grandmother's house excellent food and I know that - this year won't be a dull one. When I write the Times Capital. I'll be sure to go skippin' so move into your castle you'll have to custer it properly. Then I'll be off before I get this I start wanting to be a dull one. When I write to go skippin' so I better sign off before I get too rowdy. Have a good one!
